The Ault Fall Festival is our yearly celebration of Ault, an event brought to you by a committee of community volunteers.

We receive support from the Town of Ault, Weld RE9 Schools, our local Police and Fire Departments, plus various community businesses and members. Please note our sponsors, thank them and support them during the coming year.

Additional volunteer support is needed, in order to continue to bring this event to you. We welcome new energy in planning and executing a successful event.

If you would like to help, please talk to a committee member, or let us know at [aultfallfestival@gmail.com](mailto:aultfallfestival@gmail.com).
